

THE YUUKAGE CONTRAST

カモトタツヤ

NOTE: THE CHARACTERS FOR YUUKAGE, "YU" AND USUALLY READ AS "YUUKI" MEANING SUNSET.

Oh my,
Kagerou
-san.

Oh,
Yuugumo.

Heya-

Well, there
are times.
I could say
the same
for you,
Yuugumo.

Go ahead.

May I sit
next to you?

It's rare
to see
you by
yourself.

Step

Step

Ah, thank you.

Here, have
some tea.

We've
got so
many
sisters,
huh.

There're
times,
right?

It's the
same for
me, you
know.

Oh, but
Kagerou
-san's
the better
oneesan,
you know.

You
have that
dynamic
leadership
of yours...

You
always
seem so
calm and
collected,
Yuugumo.

No wonder
your sisters
love you so
much.

No, no, the
Yuugumo
-class girls
are the cute
ones, and
they're so
close.

The
Kagerou
-class girls
are so
active and
cute,
it's very
envious.

You're too far in front--!!

Let's get 'er done--!!

And we've got a bunch of spirited girls, so I have to make sure to keep them reeled in...

Come on, get in the bath already!

Our side's real trouble, what with all our naughty girls.

Yukkaze and Tokitsukaze always wander off if you don't keep an eye on them.

They're always coming up to me, even when I'm working...

Come now, I'm still at work...

Yuugumo nee-san--o!

We're not so different, though.

Really, they're such a handful.

Wish they would take after your girls.

Being the oldest sister's tough, huh.

Ah ha ha ha

Having so many spoiled children around can be troublesome.

Although I'm happy

Makigumo did her best too!

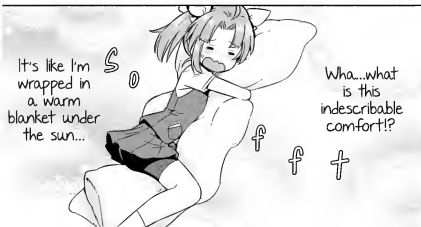

There, there...

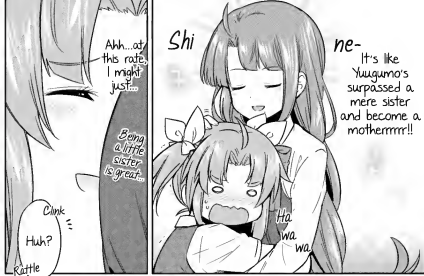

If I praise one, I have to praise them all...

Hey...
Kagerou-
san.

I
Thought
so

You-
carry
♡

SFX:
OMINOUS

Yes...
the three

WAI-

EH-

Break's

how about
we start
some free
practice?

Just
the
three
of us.

SFX:
CLOSING
